

Soil Classification & Assessment

Site:	New Road, Havant, PO6 3ES
-------	---------------------------

Compiled	C. Murrell, BSc (Hons), MSc, MEnvSci Environmental Chemist	Signed		Date	02/01/2018
----------	---	--------	---	------	------------

This assessment is based on the information sent to HWM Ltd, as specified by the report number, and the waste classification reflects our opinion only. The responsibility to ensure that the waste is imported to a suitably classified site lies with the waste producer
